Make sure to post flyers and information weeks ahead of time. Send announcements in Slack and during Wing Breakout.

***Use a car spreadsheet to send it out and have people fill it out.(tracking which cadets are carpooling)***

**Make sure to have cadets bring the following:**

- Sunscreen, Bugspray, Change of Clothes, Facepaint, Water, Snacks, Canopy, Chairs, Blankets, Footballs, Frisbees, anything else you think you need for a sports day being outside in the heat.

**Make group chats for each sport and choose coaches to start setting up practices.**

- Have a minimum of three practices.

**During Battle of the Bomb:**

- Have a headcount and make announcements of the location and time to arrive.
- When we went to Baylor there was 1 hour of extra traffic. Make sure to arrive extra early to the location.
- Make sure everyone arrives at the Game location.
- After the game day, make sure everyone likes a message to ensure everyone arrives home safe.
