

Spring 2025 Continuity

Job Title/PDT: STE Flight Officer/BMT Graduation Ceremony

Immediate Chain:

- Wing Commander
- Chief of Staff
- A6/7

Area of Responsibility: Organize transportation and seating for BMT Graduation Ceremony Visits. We organized 6 BMT Graduation Ceremony visits in the span of 4 months.

Weekly Flow: The first week of the month we contacted our poc's second we had our monthly IPR. Then the week of the event we confirmed our attendance with our pocs at Lackland. Then attend the event usually set up at the end of the month.

Struggles I Experienced:

1. The date and time of the event which is right after Thursday PTs was inconvenient for most cadets.

How Did I Address the Struggles?

1. I worked with Cadre to have us leave PT early and I think that motivated people to attend.

Advice:

- Advertising the event on the Wing Announcements Slack chat didnt bring a lot of cadets. I went out and talked to cadets and that made alot of the cadets want to attend.
- Try to make this event a mentorship opportunity to talk to GMC cadets and socialize with them in a professional manner.
