

Spring 2025 Continuity

Job Title: Personnel and Protection (Intel) A1/A2

Immediate Chain:

- Wing Commander
- Chief of Staff
- A1/2
- CAG/Safety

Area of Responsibility: Pass any information from Wing Staff to my respective chain. Attendance including Wings Counselings to sign, too many absences and excusals and Safety including RAMs and Random ID check.

Weekly Flow: Every PMT event I am needed for both the back end and the front end. I make sure my teams ensures no one gets hurt, they have the supplies needed and are trained to carry out their job. Attendance is done for every PMT event and if there are discrepancies then I find them out.

Struggles I Experienced:

1. I didn't want this job
2. My peers were overworked and tired
3. Losing a flight was a lot of work to fix

How Did I Address the Struggles?

1. Keep pushing forward
2. Get on my team to get their work done
3. Ask for extensions
4. Ask is it for Cadre or Cadets

Advice:

- Don't be afraid to say no or ask another way forward
- Ask for extensions or clarity when given a confusing task
