WARNORD FTX 842-001 DEPLOYMENT TRAINING AND POSSIBLE DETERRENCE OPERATIONS

REFERENCES:

- a. AFROTCI 36-2011 paragraph 10.3.1.2, Practical Military Training (PMT)

1. **SITUATION:** Captain Landon Prendergast has been assigned as the Deployment Commander for Task Force PACER FORGE and is responsible for overseeing the training, and mission requirements needed for any possible Deterrence Operations in his Area of Responsibility (AOR) during the deployment. The below information is all the current Intelligence received by our Joint Department of PACER FORGE Intelligence Command.
 - a. **SHOWTIME:** All Task Force PACER FORGE cadets will Deploy on 06 Apr 24 under the Deployment Commander and his Cadet A Staff's authority. It is important to understand that this deployment will begin at 1300 Zulu Time (0800 Local) and end around 2115 Zulu Time (1615 Local).
 - b. **Friendly Forces.** Various personnel work in and around the Chapman Annex-BEAST Training Facility—some in civilian clothing, and others in US military uniforms. Take extreme caution to treat friendly forces with the utmost respect.
2. **MISSION:** Following the AFFORGEN model, cadets will be trained and evaluated in a simulated deployed environment. Upon completion of initial training, they will be integrated into mission scenarios. Cadets must exert their leadership, teamwork, and critical-thinking skills in each scenario to achieve mission success.
3. **EXECUTION:**
 - a. **Commander's Intent.** Enhance military knowledge by teaching and applying Field Training scenarios and realistic operations. Accomplish all PMT Objectives and bring all cadets back home healthy and alive.
 - b. **End State.** Operations will cease at the end of PMT.
 - c. **Concept of Operations.** The current deployment posture will require all cadets to potentially sweat, critically think in stressful situations, react and make decisions, work as a team, think outside the box, and most importantly bring their best warrior ethos spirit to the deployment!
 - d. **Unit Mission Support.** Transportation will be coordinated through the respective detachments for assigned cadets. Additionally, prior to deployment cadets will be given instructions on how to operate in a deployed environment.
 - e. **Coordinating Instructions.** All personnel assigned to Task Force PACER FORGE are required to be present for this Professional Military Training (PMT) event as listed in paragraph 1, a.
4. **SUSTAINMENT**
 - a. Class 1 supplies (food) will be provided for all forces during the PMT. Additional details to follow. During the PMT, it is highly encouraged to bring snacks. Follow on details will be provided by your Flight Commanders.
5. **COMMAND AND SIGNAL**
 - a. More information to follow in the following order. Your Cadet points of contact are Cadet 1st Lt Mary Vallor, email: mary.vallor@my.utsa.edu and Cadet 1st Lt Caden Rodriguez, email: caden.rodriguez@my.utsa.edu.
