Task Force PACER FORGE (TFPF)
Forward Operating Base (FOB) PACER FORGE
05APR25
FTX842-FRAGORD-001

FRAGMENTARY ORDER #2 TO OPORD (PACER FORGE) (UNCLASSIFIED)

(U) REFERENCES:

- a. AFROTC Warning Order (WARNORD) FTX842-001
- b. AFROTC Execute Order (EXORD) FTX842-002
- c. AFROTC Operation Order (OPORD) FTX842-003

1. (U) **SITUATION.** You have been assigned as the Commander for the Task Force PACER FORGE's 842d Expeditionary Squadron and are responsible for the preparation and execution of missions as tasked by the Higher-Headquarters' Commander (HHQ/CC). The information below is all current intelligence received by the Task Force's Intelligence Command.

- a. (U) **Area of Interest.** FOB Sentinel, Chapman Annex, San Antonio, Texas.
- b. (U) **Assigned Area.** *No Change.*
- c. (U) **Enemy Forces.** The Allegiance are an elite guerrilla group of ~500 paramilitary forces whose aim is to take over military assets in hopes of gaining leverage against Task Force PACER FORGE Operations. Being natives of the land, their members have been seen randomly throughout the area carrying Small Arms (M4 Rifles, M18 Pistols) and Small Blades.
- d. (U) **Friendly Forces.** *No Change.*
- e. (U) **Interagency, Intergovernmental, and Nongovernmental Organizations.** None.
- f. (U) **Civil Considerations.** Tensions between the United States and The Allegiance border that of friendly and hostile. Certain actions may lead to the degradation of relations and the escalation of hostilities.
- g. (U) **Assumptions.** The 842d Expeditionary SQ will be able to conduct self-sustained, full-scale operations without the need for resupply or reinforcements.

2. (U) **MISSION.** The 842d Expeditionary SQ will occupy (see ANNEX C - Operations) FOB Sentinel, securing Tactical Control (TACON) of the FOB and the surrounding area to maintain US presence in the area. The SQ will conduct defensive operations to secure and protect the FOB, while reacting to any potential offensive operations from enemy forces. The SQ will maintain TACON of the FOB until relieved in place by friendly forces.

3. (U) **EXECUTION.**

a. (U) **Initial Commander's Intent.** Enhance military knowledge by teaching and applying military scenarios and operations. Cadets will be part of a coalition task force with the goal of completing all of the training circuits. The events include small unit tactics, tactical combat casualty care, IED/UXO training and leadership scenarios. It is critically important that all cadets use this opportunity to learn to work as a team, as success will only come if the cadets exhibit exceptional teamwork. Additionally, cadets should also be vigilant and prepared to engage enemy forces and ensure that all friendly forces complete the mission and come home safely.

b. (U) **Concept of Operations.** *At the discretion of the 842d Expeditionary SQ/CC.*

(1) (U) **Scheme of Fires.** *Identify how you intend to use fires (weapons) to support CONOPS. For this exercise, you will only have access to direct fires in the form of units with Small Arms (see Chapter 1.a. for definition).*

(2) (U) **Scheme of Protection.** *Identify how you intend to use protection (cover) to support CONOPS. Address Area (perimeter) Security, Entry Control Points (ECPs), Reaction Forces and their priorities.*

c. (U) Tasks to Subordinate Units. *Identify and/or assign your subordinates units, their commander, size, and equipment. State the tasks assigned to each unit that reports directly to you. Each task must include who (subordinate assigned the task), what (the task itself), where, when, and why (purpose).*

(a) *Downed airman geared south of FOB (View MAP 2)*

d. (U) Coordinating Instruction.

(1) (U) Rules of Engagement. Cadets assigned to the 842d SQ will adhere to the following ROEs:

(a) (U) Weapon Handling. Cadets will take the training environment seriously and treat the sim-rifles as real, loaded weapons. Cadets WILL NOT flag (point the barrel of the weapon at) other cadets or Cadre and only aim their weapons at their intended targets. Cadets will keep their index finger OFF the trigger until they intend to fire. Cadets will be aware of what their target is and what is behind their target.

(b) (U) Enemy Engagement. Cadets will avoid escalating tensions between US forces and the local inhabitants. Cadets will react with equal force unless the situation warrants increased force. Cadets will behave in a professional manner IAW AFROTC guidelines, the Laws of Armed Conflict, and the Geneva Convention.

(c) (U) Small Unit Tactics. Cadets will utilize appropriate Small Unit Tactics to include Bounding (successive and alternating), utilizing cover and concealment

(d) (U) Reacting to Fires. Cadets will react to fires (direct and indirect) utilizing procedures described in AFTTP 3-4.

(2) (U) Risk Reduction Control Measures.

(a) (U) Hydration. Cadets will maintain adequate hydration IAW their needs (hydrate at will).

(b) (U) First Aid. Cadets will apply First Aid procedures for minor wounds (Cuts, Scrapes, Bug Bites, Sunburn - First Degree).

(c) (U) Emergency and Non-Emergency Medical Care. Cadets will notify a member of Cadre or the POC of any injuries that cannot be treated by a cadet performing First Aid. These injuries include, but are not limited to, Heat Cramps/Exhaustion/Stroke, Sprains, Fractures, Animal Bites/Stings, Loss of Consciousness, Dizziness.

4. (U) SUSTAINMENT.

5. (U) COMMAND AND SIGNAL.

a. (U) Command.

(1) (U) Location of Commander and Key Leaders. *State where you(the CC) and key Leaders intend to be during the operation.*

(2) (U) Succession of Command. *State the succession of command (ie. what happens if the CC is KIA/WIA/MIA).*

b. (U) Signal. No change.
