

## Spring 2025 Continuity

Job Title: Standards and Evaluations Commander

Immediate Chain:

- Wing Commander
- Chief of Staff
- A8/9

Area of Responsibility: Oversee D&C, ACPRO, and holding the wing to the AFI and DAFPAM standard. Send out quizzes and test POC to ensure they are upholding the standard for the wing.

Weekly Flow: The cadets that work under me are holding D&C Sessions and ensuring ACPRO is running smoothly. I chose to help both of the cadets to make their workload a bit lighter.

**Struggles I Experienced:**

1. Cadets not uploading their ACPRO proof on time.

**How Did I Address the Struggles?**

1. I spoke with Captain Hurt and made the new deadline Fridays EOD since cadets have work outside of ROTC.

Advice:

- Email Captain Hurt if you do not have any important info to tell for ACPRO. You will be having bi-weekly meetings that DO NOT need to occur every time.

- Stay on top of your cadets who work underneath you and make it a team effort.
- Do not make the job difficult. It is an easy job as there is continuity already (your two best friends dafpam and dafi).
